

OPMS II...22
OPMS III...10

THE Jesters's heavier pack put on a second-half show to deliver the win over the Academicals in a keenly-contested inter-club match.

Centre Luke Small kicked an early penalty to give Jesters the lead, and that was extended to 10-0, against the run of play, when Alex Gannaway went over for a disputed try, which was converted by Small.

But the thirds fought back and Billy Holmes crashed over for a try, with Steve Bull converting and adding a penalty to level the scores.

After the break, Jesters' big pack used the slope well, and tries from Luke Brown and Small, who added the extras to his own score, took the second team clear.

■ OPMS fourth team, the Nomads, put up a valiant performance in losing 10-0 at Dartmouth.

The Nomads were without number eight Mark Turner, who had been selected for first-team duties at Ilfracombe.

OPMS III's Richard Turner is tackled as Jesters captain Andy Moorman (centre) and Simon Matthews look on, while Dom Davison (left) looks to support his team-mate
